

MB LOGISTICS

MISSION STATEMENT

Beattie Transport / MB Logistics vision is to offer and deliver our clients the highest level of customer service that will support and enhance their operations. Through personalised service, attention to detail and a solid technology platform that is driven by customer requirements, we will be recognised as a leading provider of transport and logistic services.

The success we have experienced as a logistics service provider is based on a genuine foundation of honesty, reliability and an unerring commitment to deliver customer satisfaction. By continually striving to improve our client's distribution operation, both in cost and service, we have become one of Australia's most respected transport, heavy haulage, over dimensional and logistics companies.

Beattie Transport / MB Logistics is dedicated to - Delivering Service Excellence (DSE)

Innovative Distribution Solutions, Driven By Service
